

SOUND MIND WILDERNESS TOUR

HOSTED BY ANDREW CLARK & AMY BUDDEN

FEBRUARY 6 – 10, 2019

THE RETREAT

CHABLE RESORT & SPA – 4 NIGHTS

Chablé is where shamanism meets luxury. This wellness resort is located in 740 acres of land with a colonial 19th century Hacienda and 40 stand alone villas. The Hacienda was originally a cattle ranch that by 1850 changed to a Henequen Production Hacienda. The original Main House of the Hacienda was rebuilt and is currently the social heart of Chablé, where guest gather to have a drink at the bar, enjoy the library, terrace and extensive gardens around it. The cenote at Chablé Spa is the focal point of the healing journeys, providing the curative foundations and tranquil setting for development of our spa experiences. The property is just a short distance from Merida, opening doors for incredibly local experiences as well.

THE ITINERARY

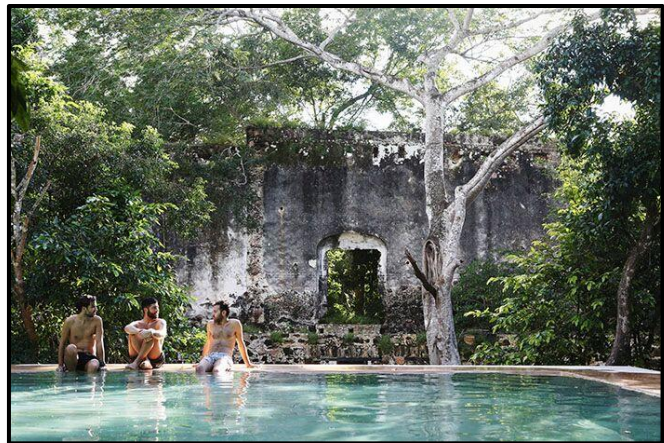

Wednesday, February 6th

Today, make your way to your nearest airport to board your flight to Cancun International Airport. Upon arrival, after clearing customs and airport formalities, you are met and transferred to Chablé Resort & Spa. Spend the remainder of the day at leisure, settling in to your new surroundings.

Thursday, February 7th

After breakfast today, depart for Hacienda Xocnaceh where you will have access to a private pyramid meditation and sound bath.

Visit Hacienda Xocnaceh—a private property open exclusively to the group. At its zenith, Xocnaceh produced cattle and henequen, the “green gold” that brought tremendous wealth to the Yucatán in the late 19th and early 20th centuries. A delicious lunch is served in the chapel ruins at Xocnaceh and after lunch, there’s swimming in the water tank, converted into a pool, exploration of the archaeological site, or just plain relaxation.

Breakfast and lunch included

Friday, February 8th

Spend a full day at leisure at Chablé with the group. Soak in the incredible atmosphere of this luxury oasis. As a wellness resort, Chablé Resort & Spa takes a uniquely holistic approach. The pampering treatments of a conventional destination spa are woven into a personal wellness program allowing us to provide a more complete self-indulgent experience closely tailored to each guest’s needs – with experts in different modalities, from yoga to Maya healing techniques.

Breakfast included

Saturday, February 9th

After a morning with the group, head to Xocempich, a private cenote on the ruins of an historic ranch, a refreshing treat open only to your group. Swim or snorkel in the cenote’s crystalline

waters and relax for hours in total privacy. A delicious fête champêtre-style lunch is served beneath the magnificent old trees.

In the afternoon, the journey continues at Chichen Itza, the pre-Hispanic world's most celebrated archaeological site, for a private visit. Originally built by the Maya, later conquered by Itz'as, and Toltecs, and ultimately defeated by princes of Mayapán. You'll visit the world-famous

Castillo, a pyramid recently declared one of the Seven New Wonders of the World. We also visit the site's other principal constructions and then the Sacred Cenote, where sacrificial offerings have been found.

Breakfast and lunch included

Sunday, February 10th

After breakfast, at a time corresponding with your flight, you are met and privately transferred to Cancun International Airport to board your homebound flight.

In other instances, changes may be necessary due to extreme weather or events in the region.
