

SOUND MIND WILDERNESS TOUR

HOSTED BY ANDREW CLARK & AMY BUDDEN

NIHI SUMBA ISLAND, INDONESIA

JUNE 15 - 21, 2019

THE ITINERARY

NIHI SUMBA ISLAND – 6 NIGHTS

This is not an escape from everyday life. It is the return to a life well lived. Where rugged luxury meets unregulated freedom. A place to connect with something larger than oneself. A haven for the adventurer, for the wanderer. The endlessly passionate and curious. Arrive with an open heart and leave changed forever. This is vacation with a purpose. A destination with meaning. This is Nihi Sumba. A rare and fascinating tale that began when Sumba's

ancestors, the 'Marapu,' landed on its secluded beach centuries ago. Beliefs about their powers vary, but the Marapu spirit has remained a benevolent force on the island, protecting the way of life and attracting custodians whom honor and carry forth the heritage and stories of the Sumbanese people, past and present. Travel + Leisure readers globally have voted Nihi as the number one hotel in the world, in all categories, for 2016 & 2017 World's Best Awards.

THE ROOMS

Each room at Nihi Sumba is uniquely different. Rooms through the retreat will be based on availability when the group confirms and booked on a first come, first serve basis.

Where you stay on vacation is more than just a hotel room. It is an experience. A new way of living. Every detail in our rooms – crisp white bed linens on our signature canopy beds, handmade chocolate in the mini bar, sweeping panoramic views of the Indian ocean – is designed to make you feel both at home yet completely transported.

Villas range from one-bedroom to five-bedroom – either for families or groups of friends staying together.
